

REHEARSAL SCHEDULE

Thursday, June 16th 2022 - ALL DANCERS

Please: Plan to arrive at least 15 minutes before your scheduled time block.

We allow extra time in each time block just in case we need it, but we try to stay **AHEAD** of schedule as much as possible. If we are ahead of schedule by more than 15 minutes, we will take a break. If we are ahead of schedule by less than 15 minutes, we will continue moving through the dances.

This means that Your Class might be called to the stage EARLIER than the 30 minute time block that you are assigned to below.

Please keep in mind the few minutes that it will take for you to park, walk into the theater and get the correct dance shoes on. Some dancers/families may be assigned to more than one time block below. You are absolutely welcome to stick around to watch the other classes perform, but please keep the volume down so they are able to focus. If you bring food or drinks, it must stay in the attached lobby. Food and drinks are not allowed in the theater. Water is OK inside the theater.
